

Tri-Neighbours Board of Management  
Notice to Residents  
April 10, 2024

It has been noted that some residents are disposing of debris in the garbage cell that should be placed in the designated areas, e.g., Tires, Freon Units, E-Waste, Metal. All residents must properly sort the debris being brought into the Waste Management Site at 1314 East Line Road. The Site Attendant must be able to determine what the debris is and where they need to direct the resident to properly dispose of that debris.

Please help us recycle.
